Dear Parent/Carer,

Falls Creek Primary School is looking forward to another great year of teaching and learning in 2024 and would like to advise you of our School's Voluntary Parent Payment amounts.

The ongoing support of our families ensures that our school can offer the best possible education and support for our students.

The following page provides details outlining the associated costs that schools are not funded for, but which are essential to the programs we provide.

With your support, through parent payments, we also organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with the purchasing of Student stationary supplies, school workbooks and also online subscriptions specifically for your child's learning and assessment needs.

We wish to thank in advance, any families that volunteer their time in the school whether it be assisting with fundraising or assisting to help run school activities.

For further information on the Department's Parent Payments Policy please see a one-page overview <https://www.education.vic.gov.au/PAL/parent-payments-one-page-overview.docx>

Sincerely

Sincerely

Marie Davey  
Acting Principal
